

# Club Kawana

## .....Catch-Up

## Welcome

to the first edition of Club Kawana's newsletter which will keep you up to date with developments at the club. I plan to publish the newsletter every couple of months and in addition to news and stories about the club, I am happy to include any content that members would like to see. So when you see me at the club, let's have a coffee and you can tell me about your ideas for content. - **Aileen Duckett**

## Recent Information Meeting

As part of the Management Committee's commitment to improving communications at the club, we recently held an 'Information Meeting'. A really big 'Thank-you' to the approximately 140 people who attended the meeting. We enjoyed an open and frank exchange of views, which were expressed in a friendly and constructive manner. It was very encouraging to see such enthusiasm and support for our club and the direction it is taking. The next information meeting will be held in February 2015.

## Fixing The Greens

The surrounds of Number 1 green are made from asbestos cement and are beginning to collapse. These will be removed by a certified contractor and replaced with concrete ditches that were removed from the old Number 3 green. This is scheduled for commencement in mid- November and will cause some minor inconvenience, so please keep an eye out for notices which will be posted in the club regarding this forthcoming work.

## Sports Foundation

In furtherance of Club Kawana's commitment to become a focal point for sport, recreation and social activities; the club has recently joined the Sports Foundation as a Corporate Member. We will market our facilities to some of the smaller clubs affiliated with the Sports Foundation, with the object of inviting them to make Club Kawana their de-facto clubhouse for activities such as presentations and functions.

## Sound Thinking!

A number of members have commented upon the poor acoustics in parts of the club, so we called in some Acoustic Engineers. They have completed their testing and recommended installation of sound-absorbing boxes in strategic locations. This will dampen the reverberation of the noise in the Bistro and Auditorium in particular, which seem to be the worst affected areas.

**Say Hello!** Our staff are key to the success of our club. Visitors often comment on how welcome our staff make them feel. So next time you see Janine or Stacey, take a few moments to say 'Hello'. Both have been at our club for about 2 years. Stacey is a Bronco's fan and Janine is a dyed in the wool Bulldogs supporter. Suffice to say that Janine doesn't expect to be working at Club Kawana much longer. We will profile other staff members as we go along, but hey, don't wait for the next newsletter, let all of our staff know how much we appreciate them.

**Cooking Up A Storm** During the month of July our bistro served 7137 lunches, 6322 dinners, bowlers' platters and 200 Rosie Meals for charity – a total of 14,128 meals for the month, which equates to an average of 426 meals per day. Well done to our chefs, James, Corey, Leo and staff. Don't forget the Hey Hey Its Thursday lunch is only \$7.50, plus fantastic raffles and entertainment.

**15,000 Members Here**

**We Come** Club membership has grown considerably during the past 12 months. Membership is now over 14,000 and the growth does not look like dropping off.

## Bowling Them Over

The club has decided to enter the Aero Premier Seven's competition with 2 teams in Division 1 and 2 teams in division 5 Over 60's. More teams may be entered so ensure that all interested bowlers have a chance to play.

Kawana Thunder will also continue its association with Bowls Super- challenge by entering teams in Ladies Gold, Silver & Bronze and Men's Gold & Bronze. The strength of our bowls teams may see the club entering the State Premier League in 2016.

**ThunderBirdz Are Go** Kawana Ladies have once again stamped their superiority on the Pennant season. Division One ladies have won the flag for the third year in succession and the flag winning Division Six team from last year stepped up to play Division Five this year and once again proved too good for the competition.

## Know When To

**Holdem** Club Kawana hosts Poker tournaments every Wednesday and Sunday starting at 5pm. The tournament is free to enter, so come along and give it a try.
